Subject: EPA comments on the FSEIS for Columbia Generating Station
Date: Tuesday, May 15, 2012 8:15:50 AM
Attachments: [11-4122-NRC FSEIS for Columbia Generating Station Relicense.pdf](#)

Dear Ms. Cooper:

Attached please find the EPA comments on the Final Supplement EIS for Columbia Generating Station in Benton County, WA. A hard copy of the same comments is being sent to your office under separate cover using the US Postal Service and should arrive soon. In the mean time, please feel free to contact me for assistance if you have any question about our comments. Again, thank you for the opportunity to review the EIS for the plant.

(See attached file: 11-4122-NRC FSEIS for Columbia Generating Station Relicense.pdf)
